ABOUT LLOYD RECRUITMENT GROUP

Established in 2005, we are a privately owned West-Australian company with strong links to the local community. Our goal when we launched was the same as it is now : To offer our clients a standard of service that represents excellent value for money and exceeds their expectations of what they require from a professional Recruiter.

Over the journey we've placed thousands of candidates, with hundreds of customers, who continue to work with us and refer us to their clients and colleagues. We have a proven track record across a wide range of sectors and disciplines.

Our experience as business owners has given us a clear understanding of the value of well managed human resource initiatives and the importance of matching the right person with the right position, in the right company. In short, we know the value of 'a good fit' and the potential damage caused by a bad one.

PERMANENT RECRUITMENT MANAGEMENT : OUR SERVICE OFFERING

Lloyd Recruitment Group provides a comprehensive service offering, including professionally written copy and advertising, database search, interviewing, reference-checking and candidate management. We consult with our clients to ensure that we are aware of not only the skills and experience required to manage an assignment on their behalf but also have a clear understanding of the personal attributes required of any candidate seeking to join them.

Our Candidates are interviewed and reference-checked prior to being recommended to our clients. All candidate information is compiled into a Candidate Summary, offering our clients a comprehensive overview of their suitability for the role in question. For your peace-of-mind, we include a six month Service Guarantee with every candidate we place with you. An option to extend this by a further six months is also available to you.
